

centre for contemporary craft & design

Craftsouth offers a four-tier membership structure to meet the varying needs of the South Australian craft and design industry. The type of membership you select will reflect the level of services you require:

Accredited Member

Accredited Members are practicing professionals able to demonstrate a significant commitment to their craft and their business. Accreditation is through an application process, details are outlined in the Accreditation Pack, available from Craftsouth. Accredited members receive a Liability Insurance Package (worth between \$700 - \$1,200 retail). Accredited members are eligible to vote & stand for election to the Board.

MEMBERSHIP FEE: \$220 (inc GST)

Associate Member

Associate members are practicing members of the craft and design industry, including part-time practitioners and recent graduates. Craftsouth offers a comprehensive professional development service for Associates. Associate members are eligible to vote.

MEMBERSHIP FEE: \$98 (inc GST)

Student Member

Student members must be full-time secondary or tertiary students. Student members receive the same benefits as Affiliate Members. Student members are eligible to vote.

MEMBERSHIP FEE: \$54 (inc GST)

Affiliate Member

Affiliate members are non-practicing members of the craft and design industry, including retailers, galleries, libraries, education & training institutions, government departments, arts organisations, craft groups and guilds. Affiliate members receive all Craftsouth publications and are able to access our information service. Affiliate members are not eligible to vote.

MEMBERSHIP FEE: \$81.50 (inc GST)

Craftsouth Membership Form

About Craftsouth

Craftsouth: Centre for Contemporary Craft and Design represents, develops and promotes the South Australian contemporary craft and design industry, with particular emphasis on the professional practitioner.

Membership of Craftsouth is essential for individual craft and design practitioners wanting to develop their practices and grow their businesses. Craftsouth provides a wide range of professional development services which assist members to achieve their career goals – be that an exhibition, or the development of new markets for your work.

Membership Benefits

- Representation and advocacy of the industry on your behalf, at both state and national levels;
- Free consultation with Craftsouth staff for practical assistance with funding applications, business planning and marketing, and other issues relating to the development of your craft and design practice;
- *Discounted* Administrative Support Services, including photocopying, fax, and freight service;
- *Craftsouth Bulletin & regular E-Bulletins* keeping you up-to-date on professional development opportunities and events;
- *Craftsouth Competitions Calendar* providing a month-by-month breakdown on significant craft and design deadlines;
- Discounted entry to Craftsouth Professional Development Program, including Members Night Program;
- Access to the Resource Centre - extensive range of craft & design magazines, reference books, & slide library;
- Eligible for inclusion in Craftsouth projects;
- Accredited, Associate & Student members are eligible to stand for election to the Craftsouth Board, and are eligible to vote at Craftsouth AGM's.

Accredited Member Benefits

- Accredited Members are promoted through Craftsouth's slide library and website. The slide library is the main source for much of the referral work Craftsouth undertakes with commissioning agents, retailers etc.
- Accredited Members of Craftsouth receive insurance for Public Liability, Products Liability, Tenants Liability, and Goods in Care, Custody and Control. The \$700 retail value of this insurance well exceeds the annual Accredited Membership fee.
